

MY
DIWALI
ACTIVITY KIT

Colour, create, solve and celebrate the Festival of Lights

THIS BOOK BELONGS TO _____

COLOUR THE BIG DIYA

Fill the lamp with your brightest Festival of Lights colours.

DID YOU KNOW?

A diya is a small lamp. Rows of glowing diyas are a special Diwali sight.

CREATE A COLOURFUL RANGOLI

Colour each shape. Try repeating the same colours around the circle.

Rangoli patterns welcome people with colour, symmetry and creativity.

COLOUR THE PEACOCK

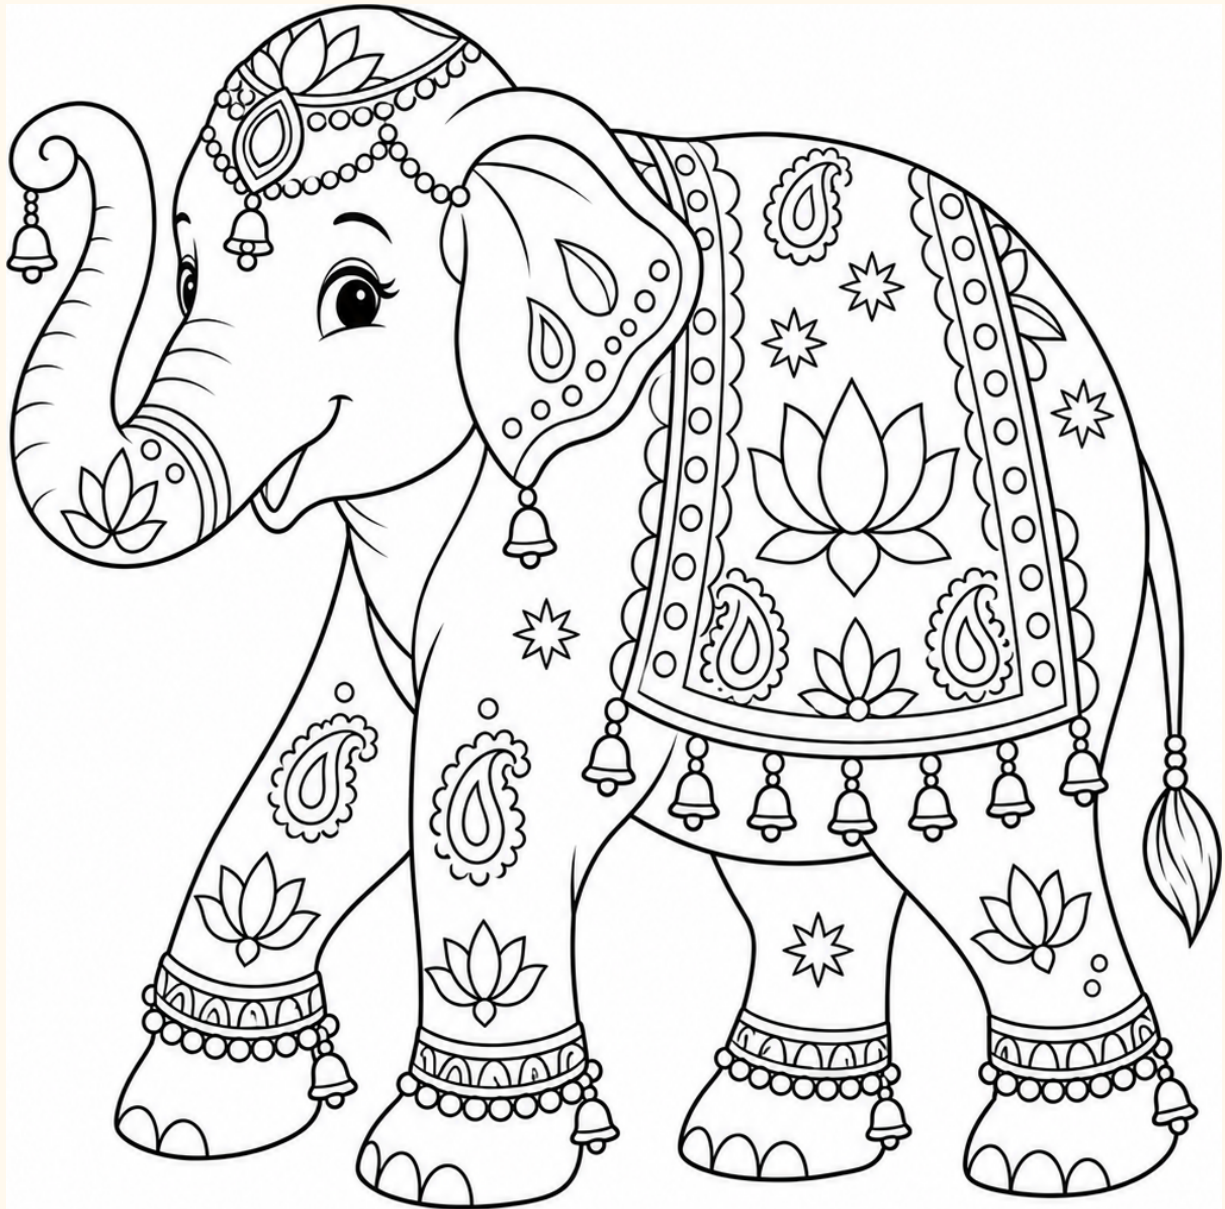

Give every feather a different jewel-bright colour.

Add dots, stripes or tiny flowers to make it your own.

DECORATE THE FESTIVAL ELEPHANT

Colour the patterns, then add your own decorations to the blanket.

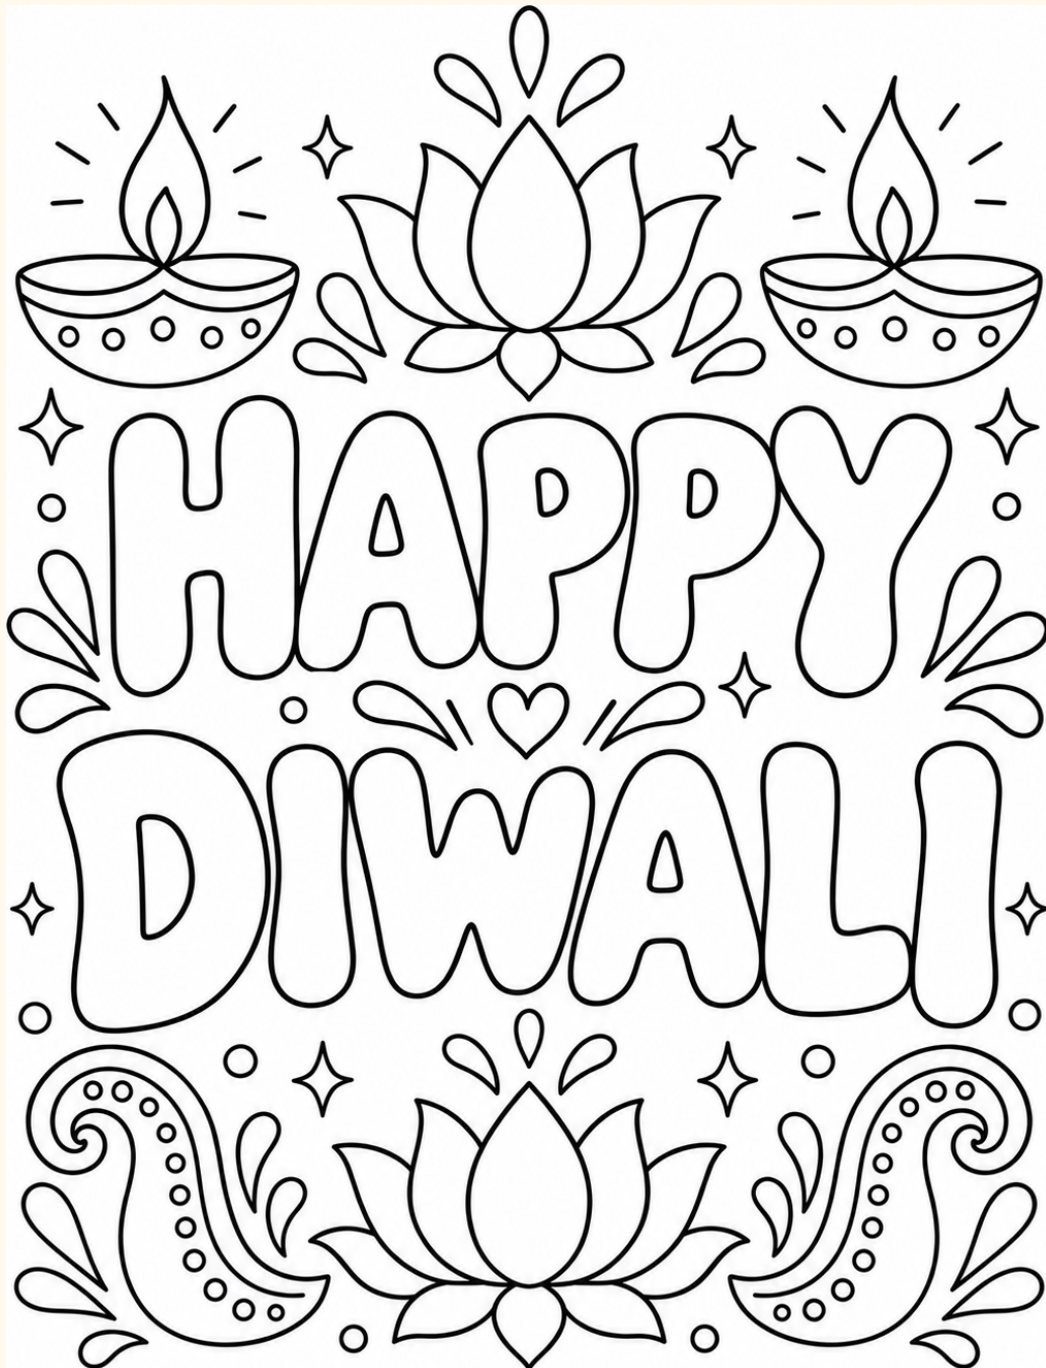

DESIGN CHALLENGE

Can you hide three tiny stars somewhere on the blanket?

MAKE A HAPPY DIWALI POSTER

Colour the letters, then display your finished poster.

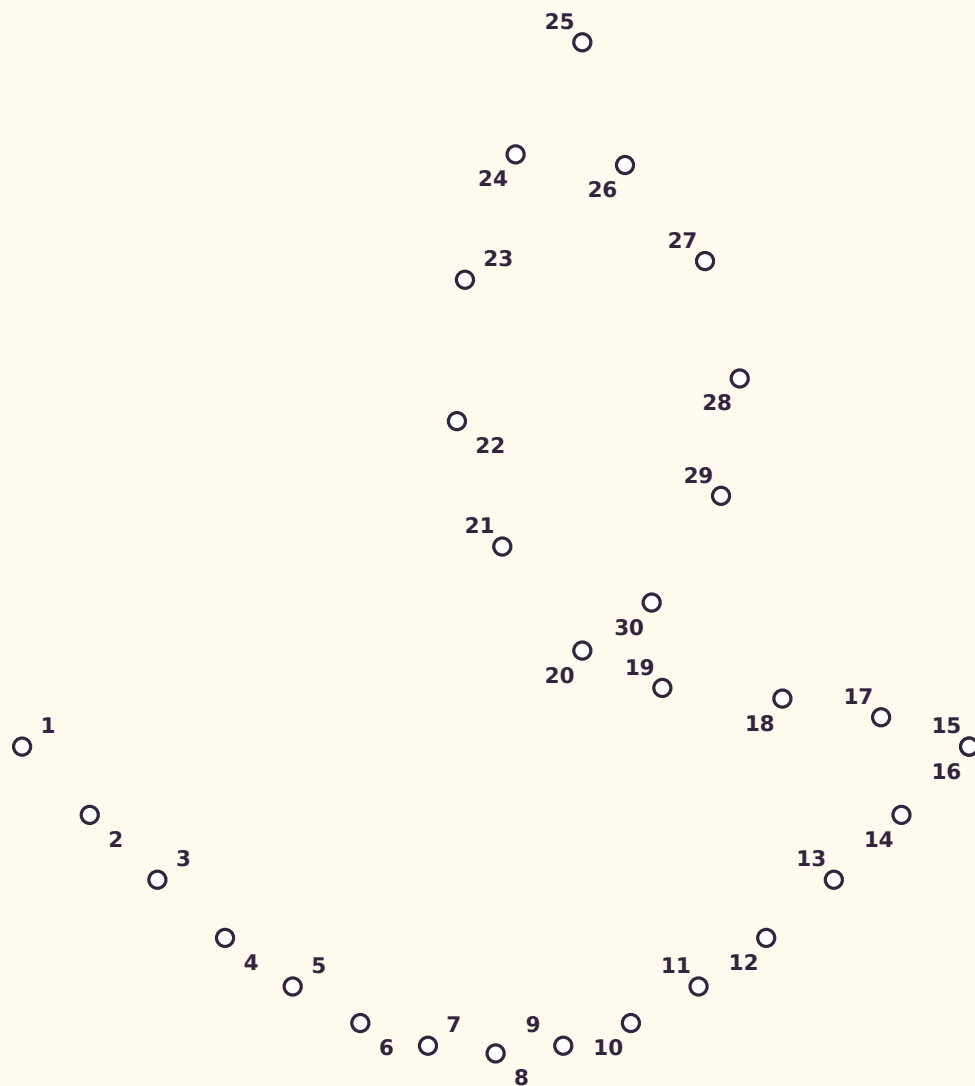

Try warm colours for the flames and cool colours for the letters.

There is no wrong way to make your poster shine!

CONNECT THE DOTS

Join 1 to 30 to reveal a diya, then colour your picture.

BONUS

Add a pattern to the lamp bowl after you connect the dots.
